On July 29, 1971, [redacted]
SCBTC, Cleveland, Mississippi, advised that the United States
Government leased lines on cable 1 were cut in three different
places approximately five feet to six feet from the ground.
He stated that it appeared that an ax or some sharp instru-
ment was used in severing the cable. [redacted] stated that
this incident occurred at the intersection of Shaw Delmar
and Harrison Streets in Ruleville, Mississippi, and that this
is the only incident involving United States Government leased
lines.

On July 29, 1971, [redacted]
SCBTC, Cleveland, Mississippi, advised that investigation
conducted by him indicated that the telephone cables in
Ruleville, Mississippi, appeared to have been cut approximately
11:30 p.m., July 15, 1971. His inspection in Ruleville at
approximately 9:00 a.m., July 16, 1971, disclosed numerous
cutting of telephone cables. [redacted] stated that these cuttings,
primarily because of their location, would have to have been
cut by someone who knew what he was doing. [redacted] advised that
in his opinion, [redacted] would be prime suspects
because both are cable repairmen who are assigned job duties
in Ruleville, Mississippi, and both possess requisite know-
ledge. [redacted] advised that [redacted] who is an installation
repairman working in Ruleville everyday, and [redacted]
who is a telephone repairman, with knowledge of Ruleville,
Mississippi, cables and is further at the center of each

b6
b7C

On July 30, 1971, Charles Mosley, Chief of Police, Cleveland, Mississippi, advised that the SCBTC officials requested that the Bell Telephone Agents would conduct the investigation of the cable cutting. He stated that the officials requested that he assist in lifting fingerprints from the cable covers which were removed from the scene. Mosley advised that no prints of any value were obtained from the covers. He stated that his department conducted no investigation of the cable cutting in the Cleveland area upon the request of the SCBTC officials.

On July 29, 1971, [] employee of the SCBTC denied any knowledge of the cable cutting incident and claimed he had no idea of the identities of the persons responsible for the vandalism.

On July 30, 1971, [] and [] both employees of SCBTC advised that they had nothing to do with the cable cutting incident and claimed that they knew of no one responsible for the incident.

[redacted] was advised of the identity of the interviewing agents and that investigation was being conducted in the cable-cutting incident in Ruleville, Mississippi. [redacted] was advised of his rights by SA [redacted] and he waived his rights by signing the Warning and Waiver Form.

[redacted] advised that he is a cable repairman for South Central Bell Telephone Company (SCBTC) and works out of the Cleveland, Mississippi, office. He stated that he works in any area where cables need repairing. He advised that he has worked in Ruleville, Doddsville, Rosedale, and Shelby, Mississippi, many times and knows these areas very well.

[redacted] emphatically denied that he had anything to do with the cable cutting incident in Ruleville, Mississippi, which involved the leased government lines. He stated that he had no idea who cut the cables and has heard no conversation among the SCBTC employees which would indicate that one of the employees is responsible. He did admit throwing a chain on the open lines between Shaw and Cleveland, Mississippi. He stated that the chain caused the lines to short-out but other than that no damage occurred.

Title: UNKNOWN SUBJECTS;
CUTTING OF TELEPHONE CABLES LEASED BY
UNITED STATES POST OFFICE, SELECTIVE SERVICE,
RULEVILLE, MISSISSIPPI

Character: ANTI-RACKETEERING - INTERFERENCE WITH GOVERNMENT
COMMUNICATIONS SYSTEM

Synopsis: On 10/18/71, AUSA declined prosecution in view of
insufficient evidence to identify the persons respon-
sible for the incident.

-C-

DETAILS:

On July 20, 1971, [REDACTED] State
Security Office, South Central Bell Telephone Company (SCBTC),
Jackson, Mississippi, advised that as a result of the
Communication Workers of America (CWA), strike involving
employees of the SCBTC, Jackson, Mississippi, there have been
28 incidences of sabotage performed against the telephone
company throughout Mississippi from July 14, 1971, to
July 16, 1971.

On October 18, 1971, [REDACTED]
Assistant United States Attorney, Northern District of
Mississippi, Oxford, Mississippi, advised that he was declining
prosecution since all logical leads have been covered and
no evidence exists to identify the persons responsible for
the cable cutting.
